

In a year so full of challenges, who needs another one? **You do!** And this is one you can feel good about: the SCN2A Warrior Challenge.

Register by November 8th and take advantage of

\$100K in matching funds!

Double every dollar raised for the Warrior Challenge

Join us (virtually) the weekend of November 7-8 for the inaugural SCN2A Warrior Challenge, where you can run, walk, roll or stroll to support the FamilieSCN2A Foundation.

Since this is a virtual race, design the course however you want to challenge yourself: is it 100 meters, a mile, a 5K? Whatever the distance and location, you'll run, walk, roll in a wheelchair or push a stroller to complete the SCN2A Warrior Challenge for a great cause.

How to participate:

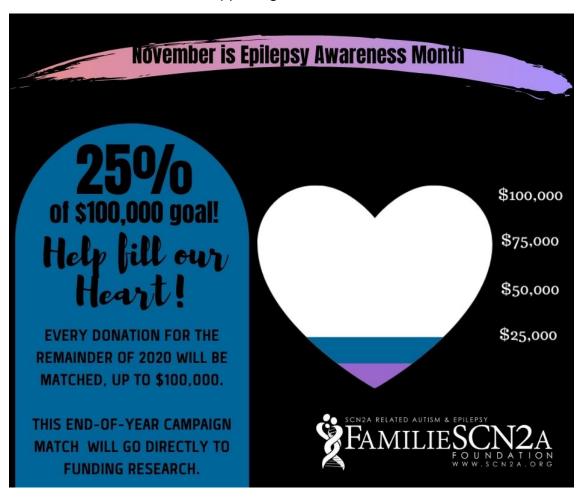

- REGISTER today! Only \$10
- Spread the word: let friends and family know and ask them to participate
- Pick a day (ideally Nov. 7 or 8) you'd like to complete your challenge
- Take photos and fill social media with posts using #Run4SCN2A and #CureSCN2A

Please consider making a **DONATION** to The FamilieSCN2A Foundation in addition to or instead of your registration for the event. Almost all of our in-

person events have been cancelled in 2020, which has negatively impacted our ability to raise funds that enable us to find effective treatments and a cure for SCN2A-related disorders through research, public awareness, family support and patient advocacy.

Find Out More

A generous donor is matching all funds raised through the end of the year, up to \$100,000! We are 25% of the way there. With your help we can maximize this opportunity and fund much-needed research! Please share this email with others who would consider supporting our mission to cure SCN2A.
