The FamilieSCN2A Foundation is dedicated to finding effective treatments and a cure for SCN2A disorders. We will accomplish this while improving the lives of those affected by SCN2A disorders through clinical research, effective treatments, public awareness, early detection, patient advocacy, and family support. We can't do this alone and have built a large community of fierce families to fight with. Each of you play a vital role in pushing the needle closer to a cure.

**Part Two** of this virtual conference will center around therapies that have proven beneficial to helping our children live a better quality of life while awaiting a cure.

**Our presenters include:**

Raphael Bernier, Ph.D.

Kelly Beins, Pediatric Occupational Therapist

Dr. Lynn & Dr. Matt Charles, Chiropractors

Brenda Allair, M.Ed, Teacher of the Visual Impaired Zahava Wilson M.S,P.T -  
Licensed Physical Therapist
