

SCN2A RELATED AUTISM & EPILEPSY

FAMILIESCN2A FOUNDATION

"I want you to know that your work is inspiring...I see the incredible support the Foundation provides to families affected by SCN2A while also striving to advance critical research during this difficult year. How better to show my full support than to match every donation through the end of 2020, up to \$100,000."

Announcing

\$100,000

match on all donations

Help us fund life-saving
research!

We are incredibly honored that an anonymous superhero has offered to [match every donation received by the FamilieSCN2A Foundation by December 31st up to \\$100,000!](#)

When you give today, your donation will be **DOUBLED** to support:

- Advancing research into better treatments & cures for SCN2A Disorders
- The SCN2A Clinical Trial Readiness Study, launching in January 2021
- Ensuring access to reliable information & support for families

There's no time to lose... so please donate to the FamilieSCN2A [Matching Gift Challenge](#). Together we can enhance lives today and accelerate solutions for tomorrow.
