***CALLING ALL SCN2A MODELS!**

Please help us raise awareness and funds by adding a photo of your beautiful SCN2A warrior to the 2021 FamilieSCN2A calendar.

First time participants: Email a high quality photo, your child's birth day and month (not year) and that you give permission to publish it to community.support@scn2a.org. If you have already sent a photo for the birthday club, please indicate that in your email.

Previous calendar models: Let us know if you would like your child to be on the 2021 calendar. If you would like to send a new photo, please do!

The deadline is OCTOBER 1ST

Calendars will be ready to order in time for holiday gift giving.

Thanks to the generosity of our sponsors & donors, we continue to accept applications for both the PAG and COVID-19 Grant. Click the image to apply.

We are hosting a series of virtual "Chats" via Zoom to provide a forum for community connection. Families affected by SCN2A are invited to join for informal conversation with others who understand. These calls are not intended to provide medical advice. "Chats" have been popular so we plan to hold them weekly on Fridays 2:00-3:00 pm ET! Please check social media posts or email community.support@scn2a.org for the Zoom link.
