Today is Giving Tuesday, a global day of giving. While we give thanks for YOU, we also rely on donations to fund critical research and support families diagnosed with SCN2A-related disorders. Today, our Board of Directors, the people who created our mission and fight for it every day, have pledged to match a whopping $50,700 in donations made by the end of the year! We need your help.

In this season of giving, The FamilieSCN2A Foundation would like to give THANKS to everyone who has supported our journey over the last six years. We are incredibly GRATEFUL. During Thankful November we have been sharing messages from the SCN2A community and hope you have enjoyed and been inspired by them. #CureSCN2A
